

PARTNER OVERVIEW

Give homeschool families beautiful records - without giving them more paperwork.

Divergefolio turns a parent's quick notes, attendance, books, activities, supports, and photo evidence into editable learning records and downloadable PDF portfolios.

The promise

Families capture the real learning day. Divergefolio organizes it into clear documentation they can review, edit, download, and keep.

Why partners add Divergefolio

FOR YOUR FAMILIES	FOR YOUR ORGANIZATION
Less end-of-year recordkeeping stress	A practical benefit that complements your curriculum or services
Dated attendance and learning records in one place	A helpful referral without adding staff paperwork
Photo-rich evidence for nontraditional learning	Partner-ready messaging and a co-branded landing path
Downloadable PDFs families control	A clear annual offer: \$59 per household

Pilot partnership paths

Referral partner	Member benefit	Group sponsor
Earn 25% of net revenue from each first annual membership purchased through your unique referral path.	Offer your members 10% off the current \$59 annual Family plan. No referral commission on discounted purchases.	Provide access to a defined family group through a custom agreement and quote. Organization features are scoped before launch.

Best fit today

Curriculum companies, homeschool co-ops, umbrella or cover schools, homeschool associations, evaluators, consultants, and parent-serving special-needs education organizations.
